MIRACLE

JESUS RAISES LAZARUS FROM THE DEAD

-JOHN 11:32-44

PERSONALIZING THE MESSAGE THIS WEEK

In the Gospels, we see how Christ is full of compassion, which brings healing to the broken, hurting and marginalized of society. At the same time, the righteousness of Christ invokes a holy-anger at the presence of sin, abuse and injustice. A natural byproduct of growing closer to the heart of God is a developing of these same characteristics within us. Jesus' last words before leaving earth were, "go into all the world and make disciples..." Perhaps part of this going with the Gospel means living with a purpose and compassion as we endeavor to see healing and justice established on earth as it is in heaven.

This week, take some time to prayerfully reflect on these following questions. Perhaps in the process you will sense with greater clarity God's purpose for your life and how He is inviting you to engage the world in which you live.

1. *What most excites you in or about the world?*

2. *What most angers you in or about the world?*

3. *If you could teach three things to others about what excites you in the world, what three things would you teach?*

4. *If you could convey to others three things about what angers you in the world, what would you convey?*

5. *How can you use what most excites you to affect or change what most angers you? List at least three ways.*

If you've never really explored this idea of how God may be inviting you to engage the world in which you live, you may want to consider participating in Class 401 Thursday, April 9 at 7:00 p.m.
