The Palm Valley Church team will work with *Comunidad Cristiana Shalom* church in Fraijanes, Costa Rica. Pastor Roy Soto will share his deep insights, passion and experience in serving their community. We will experience CCS ministries and how those ministries impact lives. Our week will also include special excursions to beautiful sites in the area.

COMUNIDAD CRISTIANA SHALOM

CCS is dedicated to sharing the love of Christ through serving their community. They lead people to Jesus by caring for seniors, women, and children who have been marginalized. Their ministries provide community services including a senior day center, women's training and services, as well as community beautification including trash pick-up on the street and in the river that run through Fraijanes. Their ministries provide local jobs through a restaurant and by growing produce.
