# PALM VALLEY CHURCH

## UPCOMING EVENTS

### DISCOVERY CLASSES: BEGINNING MAY 1

We host a series of four Discovery Classes where you will learn what we believe and how to become a member. You'll also learn ways to implement spiritual practices, use your gifts and abilities, and begin discovering your life's mission. If you are interested in getting plugged in at Palm Valley Church, Class 101, the first class of the series, will be May 1. Childcare will be provided.

### EVERY MAN'S BATTLE: BEGINNING APRIL 27

From movies to the internet, men are constantly faced with the invasion of sexual images. While it's impossible to avoid such temptations, it is not impossible to confront them and become victorious over them. This six-week class will present a practical battle plan towards sexual purity for any man who desires to escape the trap of immorality. Book is \$15. Register today.

### BABY DEDICATIONS: MAY 11

Celebrate the family by dedicating your little ones to the Lord. A baby dedication publicly represents your commitment to raise your child to know and trust Jesus Christ as their savior, and to train them to live according to God's standards. For children 3 years and under. Deadline to register is May 4.

Stop by our information kiosk in the main lobby, or visit us online at [palmvalleychurch.com](http://palmvalleychurch.com), to register or for more info on any of these events.

## Miracles at the Cross

[illegible]This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.

**Fasting Focus:** This week, buy no new clothes or gadgets, books or music, and eat cheaply. Do not go to the movies or buy coffee or candy. Take the money you would have otherwise spent on coffee, treats and entertainment and bless someone in need. Keep journal entries of what happens inside you when you deny yourself something you really want or something to which you have become accustomed. How does it affect you? Why? What does this teach you about the source of your life?
